<b>For other procedures such as excisions, ingrown toenail removal and other procedures, please see reception staff for costs.</b>							

## Workers Compensation/Third Party Consultations

Workers Compensation/Third Party fees will depend on the length of consultation and treatment provided. These fees are set by the NSW State Insurance Regulatory Authority and can be found at <https://www.sira.nsw.gov.au/resources-library/list-of-sira-publications/accordion/workers-compensation-publications/fees-orders/fees-and-rates-orders-2020>

If patients can provide a Claim Number and the name of the insurer, the clinic will send the account to the insurer directly. If a claim number is not available, the patient will be required to pay at the time of the consultation/treatment.
