

Government subsidised Fluvax 2021

Googong Family Practice wishes to advise that its first order of Government subsidised flu vaccines have arrived. These are available for the following persons:

- All people 5 years of age and under
- All people 65 years of age and older
- All Aboriginal or Torres Strait Islander peoples
- Those at increased risk of influenza disease eg:
 - Cardiac disease
 - Chronic respiratory conditions
 - Chronic neurological conditions
 - Immunocompromised conditions
 - Diabetes Type 1 and 2 and metabolic disorders
 - Renal disease
 - Haematological disorders
 - Children 6 months – 10 years on long-term aspirin therapy

Appointments can be made on line at www.googongfp.com.au, via our App or by calling the clinic during Mon-Fri from 8.30 – 5.30

There is no cost for these vaccines and the injection will be bulk-billed.

Private Fluvax 2021

We are expecting the private fluvax supplies to be available in about 2 weeks.

The vaccine will cost \$15 and the injection will be bulk-billed.

We will post again when these vaccines have arrived.

COVID-19

We have been approved as a COVID-19 vaccination site and expect to receive our first weekly allocation in mid-April. Please note, at this stage only people meeting the Phase 1b criteria will be able to be vaccinated. To check your eligibility go to the Vaccine Eligibility Checker site at:

<https://covid-vaccine.healthdirect.gov.au/eligibility>

There is no cost for these vaccines and the injection will be bulk-billed.

We will post again when these vaccines have arrived for information on making appointments.
